ROCKVILLE ACADEMY.

☞ THE Subscriber lately heard the Students in the Rockville Academy at Montgomery Court-house, examined upon the several Authors which they had been reading since their education has been committed to the care and management of the Principal of that Institution, the Reverend SAMUEL MARTIN. He was abundently pleased with their *great accuracy* and progress. Those students who have recently begun their course, *there*, as well as those who are more advanced, discovered unequivocally, that they were well taught. It is the wish of the Trustees of that Seminary, as well as the Professors, that the number of Students should be filled up as soon as possible. Good and cheap boarding may be had for the Students, in and near Rockville.
